CLASSIC PIZZAS - 7/10

Our unique pizza dough is made with 100% organic flour, natural wheat germ and organic agave. We leave it to rest in order to develop its distinct flavor. Our sauce is a combo of roasted roma and california's finest tomatoes, seasoned with garlic, fresh herbs and extra virgin olive oil. We then use a hand-grated cheese blend of premium mozzarella, fontina and fontinella. Enjoy in 8"(\$7) or 12"(\$10) [Gluten free dough available for \$14]

- |                                                                                         |                                                                                                                     |                                                                                             |                                                                                                         |
